To Whom It May Concern:

Milwaukee Public Schools filed the necessary request with the SLD for the Good Samaritan process because a vendor, Encompass Electrical Technologies, declared bankruptcy and dissolved. The assets of the vendor were purchased by another vendor, Town and Country. In addition, Town and Country is using the SPIN number (143005072) that was assigned to Encompass Electrical Technologies.

The SLD denied our Good Samaritan request on a letters dated September 3, 2004 (copies included).

We are asking that the FCC reverse the finding of the SLD since the vendor on the Form 471 and the FCDL (Encompass Electrical Technologies) no longer exist.
